

# Guide Dogs.

## Instructions

1. **Print & Cut:** Print your bunting template and cut out each triangle along the lines.
2. **Punch Holes:** Use a hole punch or pencil to make two holes at the top of each triangle.
3. **Thread:** Thread your string or ribbon through the holes (front to back) to join your bunting pieces together.
4. **Space & Secure:** Space them evenly along the string. Use a little tape on the back to keep them in place if needed.
5. **Hang & Celebrate:** Hang your bunting on walls, tables, or entryways to brighten your event space!
