

Instructions

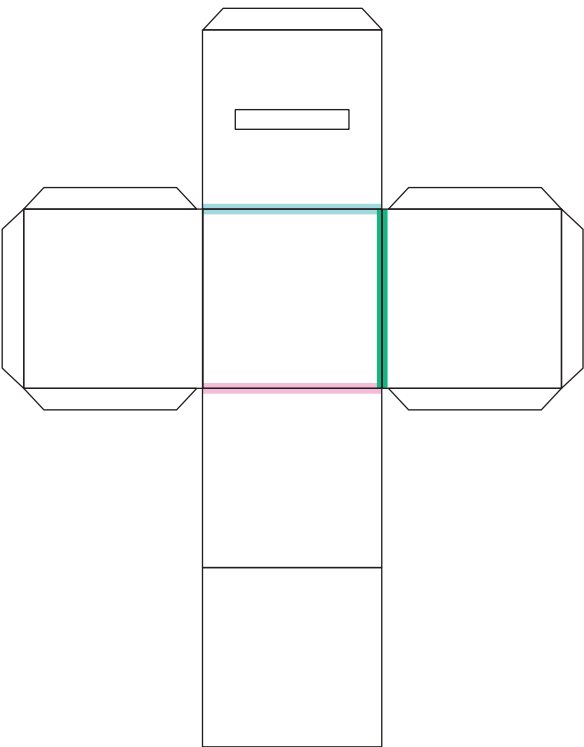

1. Print

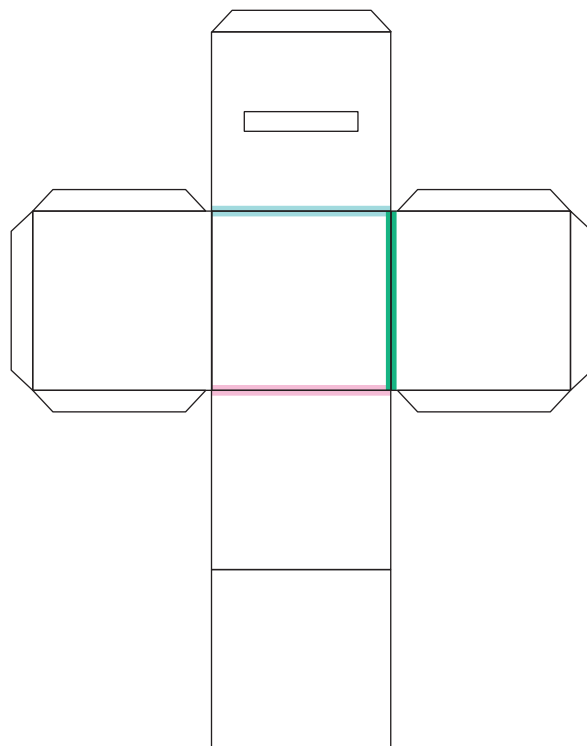

Print the 4 page template on light card for best results

2. Cut & Fold

- Use the numbered arrows to arrange the pages of your template in the correct configuration (i.e. )
- Cut out the template on the solid lines.
Don't forget to cut the coin slot!
- Fold on the dotted lines.

3. Build

- Glue together coloured flaps first to form one shape (i.e. connect the blue flap where the blue arrow indicates)
The final flat shape should look like this 
- Glue remaining flaps to form a cube.
